I want all my return emails from peacefullness8@gmail.com my name is Michael Sullivan those email returns are my property.

Senator Bernie Sanders received all my return emails from peacefullness8@gmail.com that came from the general population that made it possible for you to run for President of the United States and raise over \$220 million dollars while the federal government is conducting continuous physiological war on me.

Senator Sanders you are contributing to my civil rights violation by not letting me receive my email returns or funds raise from them.

All emails that Senator Bernie Sanders receive from peacefullness8@gmail.com is my property. All email returns and contacts that Senator Sanders receive from peacefullness8@gmail.com in his database is my property Michael Sullivan.

I Michael Sullivan on February 2, 2016, is requesting Senator Sanders to immediately forward all emails that you receive from peacefullness8@gmail.com email address. Senator Bernie Sanders please send this email list to my email account peacefullness8@gmail.com

I Michael Sullivan has suffered enough I want my return email returns form address peacefullness8@gmail.com so I can hire a civil rights lawyer and participate in the political process more efficiently.

I Michael Sullivan never gave you Senator Bernie Sanders authorization to receive my emails from peacefullness8@gamil.com

Senator Sanders please call the Boston FBI office and request they investigate my civil rights complaint I file in November 2016. I help your Presidential campaign more then taken care of myself. The United Association want me to run as delegate in Boston so I could go to the Convention in San Diego over the past summer. I believe they would have proceeded to help me getting an attorney at the point with the backing of the 300,000 members in the United Association. Instead of taken the time and mailing letters to members of Local 12 to let them know the political work I was doing for your presidentially campaign, Congress, AFL-CIO and country, I allocated all my time to help you get elected President. I have a motion at Middlesex Superior Court to compel a public official to enforce the law against Waltham Police officer Hart. Officer Hart defaulted and did not appear in court under the direction of the FBI as they force her to write incorrect police report implying I needed mental help. Her testimony would have confirmed my allegation that the FBI force her to write incorrect police report. A 1974 privacy act release form is attach along with 7 letters.
